## TECHNICAL TEAM

The Thespians Stage Directors are Gerard Marescaux - stage@halifaxplayhouse.org.uk (07715 363662) and Leighton Hirst, who oversee the technical and stage teams as well co-ordinating the technical training and liaison with hirers. The Technical team is made up of a number of disciplines and the contact for each is listed below:

### LIGHTING - stage@halifaxplayhouse.org.uk

Designing, setting up or operating the lighting for a show can be a rewarding experience. You get to play a part in the success of the production and you don't have to be a technical genius to be involved. If you can read a script and push a button you can operate the lighting for a performance. As for the slightly more technical aspects, such as design and preparation, we can get you up to speed through the technical courses that we run.

### SOUND - Alex Bryan. Sound organiser Keith Royston (07873 596178)

As with Lighting there are a great many opportunities whether you're a beginner or an experienced practitioner. Call Keith for more details or email membership@halifaxplayhouse.org.uk

**FURNITURE** Manager Paul Wadsworth greenwad@btinternet.com or 07590 509805. This role includes large and small items of furniture; plus radios, clocks, sinks, mirrors, carpets, rugs and other large props. Also transfer from the store and The Playhouse.

### WARDROBE

We have our own costume store at the Carlton Rooms. If you would like to become part of the Wardrobe Team please contact Norma Bateman on 07710 405764 or 01422 246369 or email normabateman@outlook.com. For Costume Hire enquiries please contact Marion Reynolds on 01422 618774.

**PROPS** Team Organiser - Janet Clegg (07985 599118) cleggieuk@hotmail.co.uk  
A props team usually consists of 2 or 3, occasionally 4 people, with experienced leaders who are always grateful for extra help.

## **SOFT FURNISHINGS**

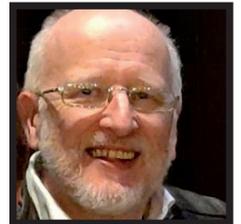

Soft furnishings cover curtains, both drapes and nets, cushions, bed linen, tablecloths and serviettes (but not carpets and rugs). It sometimes involves re-covering chairs and settees, so it helps to be able to sew.
