

Halifax Thespians Advertising Policy

While we are obviously keen to encourage advertisers, there are some restrictions on the adverts we will accept. We evaluate the suitability of all advertisements before including them on our website or in any promotional material and all advertisements are accepted at our absolute discretion.

Acceptance of an advertisement and its inclusion doesn't imply any recommendation or endorsement by us of the product or service being advertised. We will not accept advertising for:

- Tobacco products
- Adult entertainment or pornography
- Drugs and pharmaceutical products
- Gambling products or services
- Religious or political organisations

We will accept advertising for most other services and products (including services or products similar to ours that are provided by private sector companies). Advertisements accepted for the website must not:

- Promote or endorse illegal or inappropriate behaviour or lifestyles;
- Mock, degrade or poke fun at specific people or groups of people;
- Be sexual in nature (including innuendo and partial or complete nudity);
- Be likely to offend visitors to the site; or
- Be likely to damage the reputation of the Halifax Thespians or The Playhouse or bring it into disrepute.

We reserve the right to refuse to publish an advertisement or to withdraw a published advertisement without notice. This above guidance is periodically reviewed and may be amended at any time. We may impose additional restrictions on adverts appearing on particular pages or sections of our website.
