

Dear member,

To lessen our environmental impact and to help reduce our costs due to the ever-increasing postal charges; we are looking to move away from the postal mailshots to emailed ones. This will include digital copies of the brochure, AGM paperwork and all other correspondence.

We realise that not everyone can make that move, but hopefully the majority of you can. Several members have already asked us to do this.

On the new 2025-26 membership, there is an option to mark your preference, i.e. **YES** (I agree) or **NO** (please still send a postal copy). Please let us know what method suits your circumstances.

### **PAYMENT BY BANK TRANSFER**

After a herculean effort by our treasurer Ian Henderson, we now have a new bank account, which enables us to take membership fees via a bank transfer. This option is now detailed on the membership form. Please follow the directions ensuring you put your **full name** as the reference. You can still send a cheque or pay by cash or card at the Box Office.

It is **very important** that we still receive your completed membership form, so please either post it to **Keith Royston, Membership Secretary, Halifax Playhouse King Cross Street Halifax HX1 2SH** or drop it off at the Playhouse.
